Welcome to the new look Handcraft Schedule for 2019. We have spent time researching other shows to provide you with a schedule that should make entering an easier process.

2018 was a successful show, with many positive comments about the display layout and the ease of access. We are investing some money into making the display better in 2019.

For 2019 entrants will be allowed up to 3 entries in a class. The size of some hanging works has been reduced slightly rather than imposing a weight limit.

Exhibit pickups will now be on the Monday after the show, from 8am until 6pm, catering for those who are working and cannot get there in normal business hours.

Thank you to all those who provided an email address to get sent this schedule, it gives us the ability to send out information that much easier (and cheaper). With the increasing cost of postage it's becoming no longer viable to send out schedules via traditional mail.

Best of Luck,  
David Standen,  
Handcraft Co-ordinator
